Driving to the site: If you use sat nav or a mapping service like Google Maps (<https://maps.google.co.uk/>) enter the postcode BA11 4LJ. This normally takes you directly to the gate.

If you look on Google Maps with that post code you will see a drive running north from Critch Hill (Google's error, it's actually 'Critchill') / Frome Road, with a lake. This is the driveway into the venue. The entrance to the driveway is flanked by large gateposts and is easy to identify.

Access to Critchill is via Frome or Nunney. Both access routes are narrow in places and pass residential areas. Please drive carefully and with respect for residents! If you are driving from the local area please be considerate and avoid taking shortcuts through small lanes, we would like to avoid causing disruption and congestion to local people.

Meeting point: Proceed up the drive way towards the main house, passing a bungalow on your right. The roadway sweeps round to the left in front of the house, follow this route to the main car parking area. You will then see the events and camping field. Depending on the event, there may be stewards to show you the way in.

Drop-offs: Those being dropped off in taxi or car can do so in the main car park or at the entrance to the driveway from Critchill.
